## Successful Placements & Smart HR Solutions Across Leading Airports & Ground Handling Companies

Tailored HR Support for Every Need  
We provide more than just profiles:

Documentation Support (AEP, police verification, training certificates)

Interview Scheduling & Follow-ups

Candidate Replacement Policy

Periodic Manpower Planning for HR Teams

Pre-joining Orientation & Airport Readiness Sessions

We have successfully placed 1,000+ qualified candidates across various sectors of the aviation industry, including:

Airport ground handling services

Airline customer service and ticketing

Cargo and logistics operations

Airport retail and hospitality roles

Our candidates are now proudly working at leading airports, airlines, and aviation service providers across India — a testament to our commitment to quality and industry readiness.
